

# Introducing: The MoonLite

A BATTERY POWERED LIGHTING SOLUTION FOR ALL YOUR SOCIAL EVENTS

OUTDOOR LIGHTING 101

## REDUCES COST

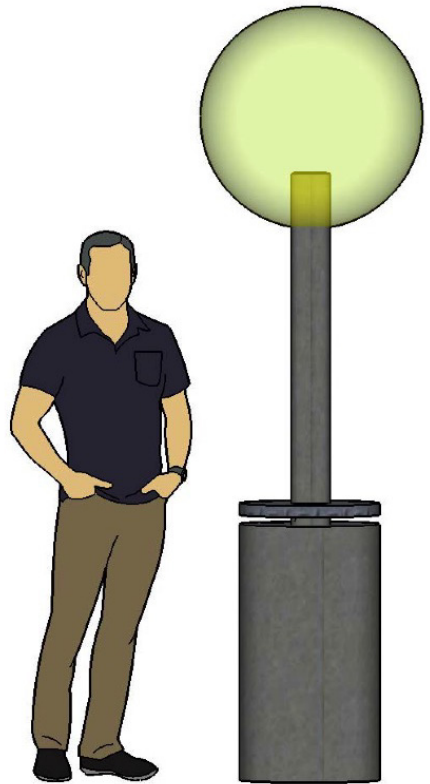

Decreases labor, fuel and generator maintenance costs

## CORDLESS

Battery powered and remote control operated, eliminating the need for cables

## VERSATILE

Appropriate for any event, with a range of easily swappable light fixtures

## ENVIRONMENTALLY FRIENDLY

Powered by repurposed electric vehicle batteries

Reduces CO<sub>2</sub> emissions by displacing generator use
