

Green

Carbon

- Due to be regulated by AB 32?
- Liable to the Clean Air Act, NEPA or CEQA?
- Involved in large-scale activity leading to emissions in California?

THEN YOU NEED GREEN CARBON!

GREEN CARBON will provide you with expert advice on the latest developments in the AB 32 cap-and-trade market, the use of offsets to reduce liability from legislation, as well as the competitive advantage that can be gained from purchasing offsets.
